

Get Money Smart

5 things to do before you are 7!

Spend it, save it, get it and give it. Whatever you do with money, you need to manage it well. You can start by doing these 4 things before you are 7.

The fifth is up to you. What else will you do to get money smart?

- 1. Check your change**
It's important to know all the different coins and notes.
- 2. Investigate all the things you can do with £5**
Spend it? Save it? Give it away? There are some difficult choices to make. What do you 'need', what do you 'want', and what's the difference?
- 3. Set yourself a savings goal**
What would you like to save up for? How long will it take?
- 4. Ask an adult, "where does money come from?"**
It can come from lots of different places, but how do most people get their money?
- 5. What else will you do to get money smart?**
