

KS2 'un-validated' Data 2016

The following table reports the % of Year 6 pupils that attained Age Related Expectations (ARE) in the 2016 National Tests or attained 'above' Age Related Expectations (High Attainers), as well as the school's average scaled score and the school's progress measures from KS1 - KS2.

In 2016, the DFE changed the way it assessed pupils from the previous system of 'Levels' to a 'scaled score test' that demonstrates whether the pupil *met* or *did not meet* Age Related Expectations (ARE); pupils had to achieve a scaled score of 100 to meet ARE.

*Number of pupils tested = 48 pupils. Number of pupils eligible for progress measures:- 45 pupils for Maths; 44 pupils for Reading and Writing. *N.B. as there is no National Writing Assessment Test, the writing is Teacher Assessment only*

Reading	School ARE	National ARE	School High Attainers	National High Attainers
% of pupils	54%	66%	6%	19%
Writing	School ARE	National ARE	School High Attainers	National High Attainers
% of pupils	58%	74%	15%	0%
Mathematics	School ARE	National ARE	School High Attainers	National High Attainers
% of pupils	50%	70%	17%	0%
English Grammar, Punctuation & Spelling	School ARE	National ARE	School High Attainers	National High Attainers
% of pupils	60%	72%	8%	22%

	School's Average Scaled Score	School's Progress Measure from KS1 - KS2
Reading	98	-0.3
Writing	N/A	+0.3
Maths	98	-1.4
English Grammar, Punctuation & Spelling	100	N/A

KS1 - KS2 Progress Measures: -The school *met* the National Floor Standard set for the expected progress measures from KS1 to KS2 in Reading, Writing and Mathematics combined.
