School Day Timings

Breakfast Club

We operate our own breakfast club from 7:45am during term time

The school day starts at 8:55am

The school gate is opened just before 8:50am and children can wait with their parents on the playground until the whistle is blown.

The school day finishes at 3:15pm

After School Club Haven

After School Care is run by our Haven Team and operates from 3.20- 5.45p.m.

Uniform

We have a simple uniform which we encourage the children to wear with pride as it shows they are part of our school community.

Children can wear grey or black on their lower half and a white shirt or polo shirt on top.

You can get both royal blue sweatshirts and polo shirts have the school logo on them.

In the summer blue and white checked dress can be worn as well as black or grey shorts.

Uniform - PE Kit

Our PE kit is black shorts and a plain white t-shirt worn with their school jumper or cardigan.

In winter children can wear plain black or blue jogging pants/ leggings with their top and jumper or cardigan .

We do ask that no football kits are to be worn for PE

- on days that children have PE they should come to school in their PE kit -

What Would Be Really Helpful

Moving forward it would be really helpful if we have at least one email address for each child this means we can setup our class dojo pages.

If we haven't yet been informed of the nursery setting that your child currently accesses then please let our school office know on ao@smhsch.co.uk.

Please complete the family data form – these will be dropped off at your child's nursery during the visit or posted to you later this month. This form lets us know of any medical or dietary information as well as letting us have an emergency contact number should we need it during the school day.

Class Dojo

This is where you will find messages from your child's class teacher. This updates most frequently and will let parents know about work, day trips, activities, special events and visitors. This is the most effective and responsive communication tool with you and your reception teacher.

We regularly upload information onto our School Website, please visit
