

# Art Newsletter

## Spring term 2022

Our budding artists have been busy- check out what's been happening across the school!

### EYFS

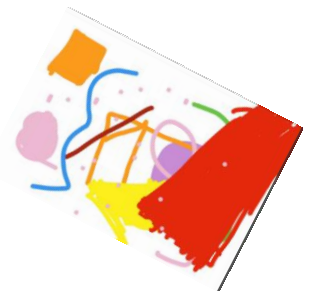

Nursery and Reception are our most prolific artists as they are constantly creating and experiencing using a variety of materials to express themselves. Reception enjoyed responding to a hail storm and created these beautiful paintings!

### KS1

The Infants have been developing their sketching skills and created some wonderful sketches of our beloved Liverpool skyline! They've also learnt about the artist

Kandinsky and created stunning colourful pieces of their own both digitally and using oil pastels.

### KS2

The Juniors have been using lots of different materials including clay to make dragon's eyes and even food to make portraits!

Upper Key stage 2 are learning about the artist Frida Khalo and exploring themes of identity. They've also been really honing in those drawing skills with stunning still life drawings inspired by Paul Cezanne!

### HIVE

Hive have been exploring themes around family. They used different materials to draw their family and then even used mini canvases to create a family portrait!
