Spring term 2022

Spanish continues to be an exciting part of our SMITH curriculum. Take a look at what we've been learning throughout Spring term!

EYFS

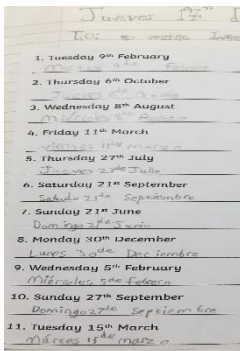

In Nursery and Reception, the children have been enjoying learning the names of lots of different animals! They have also continued to recap basic Spanish vocabulary, including numbers and colours. 😊

KS1

Over in KS1, the children have been learning all about the four seasons and creating some beautiful artwork to help them remember their new vocabulary! :)

KS2

Across KS2, the children have been learning all about Semana Santa celebrations and made some lovely Easter cards to take home to their families. They have also been learning the months of the year and practising writing full dates in Spanish.
