

# Nursery topic map

## Communication and Language

This term we will focus on developing our vocabulary, learning new words. We will learn to explore questions and become more confident to answer them. The children will rhymes and develop their listening skills.

## Personal, Social and Emotional development

The children will explore their new environment and explore their likes and dislikes. We will also be learning to talk about our feelings and learn ways to regulate ourselves.

## Physical Development

The child children will develop their gross motor skills in a variety of activities such as Dough Disco. The children will also explore riding bikes and balancing both indoors and outdoors.

## Understanding the World

This term we will be looking at our similarities and differences in ourselves, our families and others. We will also be exploring our natural environment, in the search for animals as we learn about Hedgehogs.

**Topic: All about Hedgehogs**

**Term: Autumn 1**

## Literacy

This term we will be exploring books on our similarities and differences. We will look at books on different families from around the world. The children will also be exploring phase one phonics.

## Expressive arts and design

The children will explore singing new songs from around the world as they begin to move rhythmically to music. The children will also explore painting and exploring different materials.

## Outdoor learning

The children will explore the natural world as they explore the wild garden. The children will also be encouraged to take part in games, phonics, maths and physical development.

## Mathematics

This term we will be looking at numbers 0-5. We will be looking at the patterns in numbers and begin to count to out objects to five. The children will also explore number songs as they discover numbers.
