The Hive Newsletter Autumn 1 2022

We are so excited to be back!

We have had a lovely start to the term, reconnecting with the children who were here last year and welcoming three new pupils. All pupils have settled well into the structures and routines of the Hive and we have enjoyed getting to know each other. We have also welcomed a new member of staff to our Hive team – Indie McMillian. She is really enjoying getting to know the pupils and building positive relationships with them.

The Hive pupils come into the gate by the Infants entrance at 9:15. They are dismissed from the same place at 2:45pm. Although we eat our lunch in the Hive we collect hot dinners from the school canteen. If your child is having a school dinner, please pay via ParentPay. If you need help to set up a ParentPay account, please phone the school office for help.

Curriculum

Our creative curriculum topic for this half term is 'All about me' Please see our topic web to see all of the exciting things we are currently doing and have planned! We will also be focusing a lot on discussing and identifying the strategies that pupils use in co/self-regulating. We use a resource called 'The zones of regulation' to help support us with this.

Reading

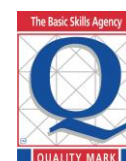

We encourage all Hive pupils to enjoy and engage with books and reading by having a variety of reading opportunities daily. EBooks are set via Active Learn and we set new books regularly. We would really appreciate it if you could support with ensuring that your child reads one of these books or a book, comic etc of their own choice as often as possible. Ten minutes reading at home each day can make a huge difference! Maths activities are also accessible via Active Learn. New games that reinforce learning happening in school are set regularly. Your child's log in details will be sent home shortly.

Daily Fruit

Each day there is a healthy range of fruit available for the children to eat each day. If, however your child would prefer to bring in their own healthy snack that is fine.

Please don't hesitate to make contact via class dojo whenever you need to or simply if you just want to catch up. Thank you for all your support, we look forward to working in partnership with you.
