

## Times Tables Rock Stars focus and testing Autumn 1

Each Friday we have a tables test. It is really important that children have fast recall of both the multiplication facts and the related division facts, which is why we test them on both, first of all separately, then together. Every child has a Times Tables Rock Stars account to make learning more fun. Children with a strong oral memory might also enjoy learning their tables as songs. Kool Kidz use familiar tunes <https://www.youtube.com/watch?v=cuvxmjgkjU0>

Week ending	Online focus	Test
