

Art

This half term we will be understanding and experimenting painting with a paintbrush.

To experiment with a variety of mark making and materials and to imitate and create art in the style of Paul Klee.

Geography

We will be exploring the Arctic, finding out who lives there and how the people and animals survive. We will also be comparing a town in the Arctic to London.

Science

This half term we will be exploring materials, describe and comparing their properties and experimenting on the best materials to use when in water.

Lost and Found

Year 1 Autumn 1

Computing

The children will be learning how to keep themselves safe online and to identify what personal information is found online.

Maths

We will be counting and representing numbers this half term. We will begin to explore addition and subtraction, place value and the properties of 2D shapes.

PSHE and R.E

Our PSHE topic is 'TEAM.

We will be exploring relationships, how to be kind to each other and how to deal with challenging situations.

In RE we will be exploring Christianity.

English

Using the text Lost and Found we will be learning new vocabulary based on the topic, participate in class discussions and re-telling the story to a partner. We will also be learning the rules for writing a sentence and use the new words learnt in our writing.

P.E

This half term the children will be using the story of Goldilocks and the Three Bears to explore dance.
