

Spanish

In Spanish, this half-term we are going to be recapping on basic terms and phrases. This recap will embed knowledge for future topics.

Maths

In Maths during this half term, we will build on our times table knowledge, and will be learning about multiples, factors, written methods for multiplication, fractions and properties of shapes.

Art and Design

In DT, we will be researching and developing our design ideas to build a model bridge.

Music

We will be finding out how music helps us to connect with our past.

History / Geography

In Geography, we are studying South America. We will be investigating its location, climate, and finding out about some of its physical and human features.

Daredevils and Rebels

RE

In RE, we will be raising questions about the nature and existence of God.

Physical Education

In PE, we will be learning about different dance styles. We will choreograph our own routine.

Science

In Science, we will be investigating a range of forces including gravity, air resistance, water resistance and friction.

English

Our writing will focus on the text 'Lost Happy Endings', by Carol Ann Duffy and Jane Ray, which will lend itself to the study of traditional tales and their features.

PSHCE

In PSHCE, we are going to be looking at ourselves as individuals and examining how it is important to 'be yourself'.

Computing

In computing, we are looking at how to code, using block coding.
