

Times Tables Rock Stars focus and testing Spring 1

Each Friday we have a tables test. It is really important that children have fast recall of both the multiplication facts and the related division facts, which is why we test them on both, first of all separately, then together. Every child has a Times Tables Rock Stars account to make learning more fun. Children with a strong oral memory might also enjoy learning their tables as songs. Kool Kidz use familiar tunes <https://www.youtube.com/watch?v=cuvxmjgkjU0>

This half term we are using the well-known two times table and doubling it, to learn the four-times table, and then doubling again to learn the eight-times table.

Week ending	Focus	Test
Friday 6 th January	four times table	fours multiplication facts only
Friday 13 th January	four times table	fours division facts only
Friday 20 th January	four times table	fours multiplication and division
