

Nursery Curriculum map

Communication and Language

This term the children will continue to develop their language skills as they share news and their thoughts. We will continue to have circle times, P4C and Herbie adventures.

Personal, Social and Emotional development

The children will continue to develop meaningful friendships, independence, and self-regulation skills. We will also be looking at the importance rules.

Physical Development

The children will continue to develop their gross and fine motor skills. This term the children will focus on exploring balls skills, they will learn to throw, catch and play ball games.

Understanding the World

This term the children will be investigating growth. We will look at how plants and flowers grow, human growth and metamorphosis in animals. The children will also look at different materials.

Topic: Growing where?

Term: Spring 2

Literacy

This term we will focus on Jack and the Beanstalk. The children will develop their story telling skills by creating a story map. We will look at story sequencing and character description. While developing phonic awareness.

Expressive arts and design

This term the children will explore music and art together as they learn about colour mixing. The children will also explore still life drawing of flowers as we look at art from Georgia O'Keeffe.

Outdoor learning

The children will explore the natural world as they explore the wild garden. The children will also be encouraged to take part in games, phonics, maths and physical development.

Mathematics

This term we will be looking at positional language and how to describe a familiar route. The children will develop mark making skills while creating maps.
