

Hi Nursery, I am Mrs O'Neill, I have recently returned to work after having my beautiful baby Miller 😊 since returning to work I have worked in different year groups.. I can't wait to be your class teacher in September!

Here is a little bit about me:

My favourite thing about being a teacher is ...

You all make me laugh and smile every day. I get to see you grow in so many ways.

My interests and hobbies are...

I love ballet, I used to dance just before I had Miller. I love going to watch the ballet in the theatre. I love going to the gym. started again about 4

I love to read especially when it is raining, I love going on long walks with my family and spending time with my friends. I love taking Miller to the park

and pushing him on the swing.

My favourite food is ...

I love spicy food, especially butter chicken, hot, yum! I love Italian food, but my all-time favourite has to be my grandfather in laws roast dinner!

My favourite subject is History, I love learning about how different life used to be and how people used to live. I love how much curiosity it creates and the questions that are asked.
