

Art

We are looking at Plant Art this term. We will be taking inspiration from a variety of artists before designing our own creations!

Computing

We will be deepening our understanding of Digital Literacy. We will look at the importance of good passwords, what a network is and the parts of the local network in our school. These lessons are led by our MGL teacher.

R.E

We will be finding out why some people believe life is a journey and what significant experiences mark this.

Science

We will be learning about all things 'sound' in science this term! Looking at how sound travels in waves and is received, we will be exploring the role of the human eardrum. Working scientifically, children will look at what materials make good insulators before finishing the unit making their own instruments out of recycled materials.

Spanish

This half term, we will be looking at 'My Routine'. We will learn lots of new vocabulary and will have basic conversations in Spanish to practice our skills.

History

This half term, we are studying WW1. We will be looking at the reasons why WW1 occurred and also understanding the significance of Liverpool during the war. We will be researching significant people of Liverpool who made an impact during WW1.

PSHE and Wellbeing

Our topic in PSHE will Relationships. We will look at how to make positive friendships, how to recognise jealousy, express why people are special to us, reflect on places and people we no longer see. We will also look at how friendships change, how to show appreciation for people and animals around me.

Year 4 Summer 1

Emergency on Planet Earth

English – We will be enjoying texts 'Rainforests in 30 seconds' and 'Where the Forest Meets the Sea'. In our reading lessons we will be enjoying the classic story, Kensuke's Kingdom

The children will be given spellings each week to practise at school and at home. We will also send the children home with a reading book each week.

P.E - Our P.E sessions will be on Thursdays. Please ensure your child comes to school dressed in plain dark coloured joggers/ leggings or shorts, a plain white t-shirt/ polo-shirt, school jumper/cardigan and trainers.

This half term the children will be taking part in Football. We will be using the school field to practice key football skills before having some football matches.

Maths

We are looking at decimals (up to 2dp), money (including problem solving) and length, mass and volume. We will be using a variety of practical resources to support our understanding of these topics.

The Multiplication Tables Check will take place during the 2-week period from Monday 1st June. Children should be practising on TTRS daily.
