Keeping You Safe

We all have the right to be safe!

At St Michael in the Hamlet Community Primary School, we follow the principles of KCSIE 2026 to help keep you safe.
This means we:

Put children first
We always think about what is best for you.

Keep you safe
We protect you from harm, abuse and neglect.

Work together
We listen, share information and support each other (with your consent, where possible).

Listen to you
You can tell us anything. We will take you seriously.

Help you be your best
We support your wellbeing, learning and development.

Telling Someone can make a big difference

There are lots of people at school who will listen and help you.
You can talk to:

Your teacher
They are here to listen and help.

Teaching Assistant
They can support you and find the right help.

Senior Leadership Team
They make sure you are safe and supported.

Designated Safeguarding Lead (DSL)
They are specially trained to help with safeguarding.

Parent or Carer
They care about you and can help too.

KCSIE 2026 reminds us to:

- Look for signs that something might be wrong (even if it seems small).
- Listen to what children tell us.
- Take action if we are worried.
- Keep your information safe and share it only with the right people.

You can always be yourself.
You are not alone.

Be kind
Look out for each other
Speak up
Stay safe
You matter

Together we keep our school a safe, happy place
